## C.C.F. Organizer Protests Geo. Mitchell As Candidate

### RECENT C.C.F. MOVEMENT RECRUITS NOMINATE MITCHELL, IS CHARGE

Editor, The Era and Express:  
I would like to put before your readers the reason why I protested the nomination of George Mitchell, the reeve of North York township, as C.C.F. provincial candidate for North York at a nomination meeting held in Newmarket on Saturday afternoon, April 3.

It was because Mr. Mitchell is a man who can be described by the word politician as it is popularly used. The C.C.F. party has no such men nominated or elected as members or on its executives. The present C.C.F. members are like Mr. Woodsworth, men who have sacrificed all material gain and comfort to work for a cause they believe to be right and just.

It is because the C.C.F. party is composed of such men that it has gained the confidence and holds the hopes of the people of

The C.C.F. members of this constituency are deeply hurt by the nomination of Reeve Mitchell, by a small but compact group of members from North York township, most of whom joined the C.C.F. within the last six weeks.

We are appealing to the C.C.F. provincial council to veto this nomination and rest in the firm hope that it will do so.

Thanking you for your courtesy in publishing this letter,

Yours sincerely,

## Councillors Would Make Weekly Dairy Inspection

### DR. J. H. WESLEY RECOMMENDS SALARY INCREASE FOR INSPECTOR

An increase in salary for J. R. Lockhart, town milk inspector, was recommended to the town council by Dr. J. H. Wesley, M.O.H., on Tuesday evening.

The council referred the request to the finance committee. His present salary is \$300, Dr. Wesley said.

Until an Aurora municipal inspector took over inspection of shippers to Cousins Dairy, he received \$400.

"He has been doing very good work, and he has co-operated with the shippers," said Dr. Wesley. "The shippers have been taking the suggestions he has made. He has attained remarkable results, so good that much of the milk that comes from our shippers has a lower bacteria count than when it comes from the pasteurization plants."

"Dr. Lockhart has each farmer's milk analyzed twice a year and gives them the results. That inspires the farmer to improve."

"We have been singularly free of epidemics," Mayor Dr. L. W. Dales told Dr. Wesley. "I don't know whether it has been due to the care with the milk or the strict quarantine you have been imposing. I think that this council is behind you to enforce quarantines strictly. The spring is the time when these epidemics come, and we can't be too careful."

Councillors Joseph Vale, J. L. Spillette, Frank Bowser and Wm. Dixon, after studying reports on milk from the two Newmarket dairies and Cousins Dairy, Aurora, and reports on the milk shipped, and questioning Dr. Wesley, asked whether the town should undertake weekly inspection of the two Newmarket pasteurizing plants.

Dr. Wesley stated that it would mean a lot of work for the inspector and he would have to be paid for it. He stated that the provincial department of health at present makes a regular inspection of the dairies.

"We have the three best dairies in the province of Ontario," said Dr. Wesley.

Mayor Dales asked about the

town water supply. Dr. Wesley said that all the latest reports showed the water to be "A" and that the provincial department of health had recommended the discontinuance of chlorination if the samples continue to be as favorable.

The milk question will be discussed again at an early council meeting.

## Harry A. Parks Dies, Lived Here 32 Years

A resident of Newmarket for over 32 years, Henry (Harry) Albert Parks died at his home on Sunday following a four weeks' illness. Mr. Parks came to Canada and Newmarket from England in 1910. He married Anna E. Bacon, who came out from England two years later, on Feb. 29, 1912.

Born in Kent, England, on Dec. 15, 1883, he was the son of Phoebe Higgins and John Parks. Mr. Parks attended Trinity United church. He was a wood-trimmer at the Office Specialty Mfg. Co.

Surviving besides his widow are one son, Stuart, and one daughter, Irene, both of Newmarket, and a nephew, Wm. S. Ayers of Newmarket.

Rev. Henry Cotton conducted the funeral service at the chapel of Roadhouse and Rose on Tuesday afternoon. Interment was made in Newmarket cemetery.

The pallbearers were Wesley Brooks, John Goffin, W. A. Hart, Thos. P. Robinson, Ernest Sansom and Sidney Simmons.

The town council passed a resolution of sympathy on Tuesday evening with Miss Irene Parks, deputy town clerk.

## ELMER FRY GIVES FULL TIME TO MINK

### "When A Man Marries He Should Make Will"

"Legislation of Interest to Women" was the subject of Miss B. E. Lyons, Newmarket barrister, before Trinity United church Women's Association.

"There are several acts on the statute books of our province which have been put there for the protection or assistance of women," said Miss Lyons. "One example is the Mothers' Allowance Act, which makes provision for assistance to be rendered out of public funds to the widowed mother who has young children to support and either no funds or inadequate funds. Another example is the Deserted Wives' and Children's Maintenance Act, passed for the protection and help of families deserted by husband or father."

"The Dependents' Relief Act is a statute for the relief of those who are inadequately provided for by the will of a husband or wife or father or mother, and in whose interests the court will intervene to order a distribution of a testator's estate different from that provided for by his or her will."

"The Old Age Pensions Act provides for assistance to old people, often without the necessity of their being parted or having to give up their home, and has been a great comfort to many an old person."

"There is much also of our law, which women, and men too, should be more familiar with, especially the law dealing with the making of wills, the distribution of estates of persons dying without wills and the many expensive and inconvenient complications which can arise as a result of husbands with young families dying without having made a will. Death and taxes, according to the old saying, are always certain but somehow people hate to make any preparation for the former and as a result many a woman is left not only sorrowful and lonely, but also with a great burden of worry and expense which might have been avoided."

"The merchant is not criticized for trying to sell a customer a pair of rubbers which he feels he should have or perhaps an extra piece of furniture but if a lawyer suggests to a client that he make a will or gives some unsolicited advice which he feels the client should follow in his own best interest the client immediately feels that he is prying into his affairs unjustifiably, or else trying to drum up some business, though actually he is merely trying conscientiously to give his client the benefit of his knowledge without thought of his own financial benefit."

Mrs. Frank Bothwell, the president, was in charge of the April meeting and introduced Miss Lyons.

Mrs. Sanford King took charge of the devotional exercises, reading St. Luke 24: 1-12. Mrs. King said: "The tomb has become the source of the Easter faith and hope. I know that my Redeemer liveth. Do we realize what it means?" she asked. "Our Saviour lives."

A vote of thanks to Miss Lyons was moved by Mrs. Herman Gilroy.

## Heart Attack Is Fatal To Mrs. Joseph Gould

Suffering a heart attack two weeks ago Mrs. Elizabeth Gould died at York county hospital on Sunday. She was in her 85th year.

Born in King township, Feb. 14, 1859, Elizabeth Hodgins was the daughter of Mr. and Mrs. Patrick Hodgins. She married Joseph Gould on Oct. 12, 1881.

The late Mr. Gould was a sexton at St. John's Roman Catholic church and also spent a number of years with Wm. Cane and Sons.

Mrs. Gould was a member of St. John's Roman Catholic church.

Surviving are five grandchildren, Ren, Ted, Newmarket, Cecil, Toronto, Helen, Newmarket, and Claire and Margaret, Ottawa, and one great-grandchild, Betty Jane Gould, Newmarket. Three nieces and five nephews also survive.

Rev. Dr. W. D. Muckle conducted mass at St. John's church on Tuesday morning. Interment was made in St. John's cemetery.

The pallbearers were Thos. Burke, T. F. Doyle, Sam Gibney, Ross Trivett, W. W. Osborne and Maurice McFale.

## SAYS FARMER TAKING LICKING FOR 10 YEARS

The North York C.C.F. Constituency Association nominated George A. Mitchell, Weston, reeve of the township of North York, contractor, as provincial candidate for North York, at a meeting Saturday afternoon.

About 100 people were present, the majority of whom were delegates. Mr. Mitchell was the only nominee.

Dr. G. A. C. Gunton, Aurora, vice-president of North York C.C.F., turned the meeting over to Andrew Brewin, Toronto, C.C.F. vice-president for Ontario. Price Brown, Downsview, introduced Mr. Brewin.

"We are tremendously delighted at seeing how the C.C.F. has grown in North York constituency in the past year," stated Mr. Brewin. "It has grown from a disorganized movement. It was done by the hard work of people who believed in it sincerely and were willing to work hard to make it successful. The movement has grown as the need for a change has grown. It is rising to meet the coming need, the need for a new type of government, to face the problems after the war. It will show its strength in the election forthcoming. The forthcoming provincial election will be important and will set the tone of what is going to happen after the war—whether it is going to be the old see-saw between the old parties."

A motion of Mrs. Price Brown, Downsview, C.C.F. organizer, to carry on the vote by mail rather than by the delegates assembled, was rejected. Mrs. Brown said that she did not feel that the constituency was as fully represented at the meeting as it should be.

"I agree with Mrs. Brown," stated Edgar Dennis, Whitechurch. "I am against the vote being taken, as the northern part of the constituency is not represented. Some delegates were unable to get here on account of the roads. They haven't all horses and buggies."

A second motion by Mrs. Brown, "that this convention meeting should be postponed," was turned down.

"I am asking for its postponement because I do not believe it is in the best interests of the constituency," she stated. She added that she believed that the meeting did not represent the whole constituency and that it was being "bull-dozed" by a "political machine."

"We come here and we find this meeting packed, but not with farmers," said Frank Ramsay, Sharon. "If agriculture and labor were represented we would be prepared to go on."

Nomination of George A. Mitchell was moved by Peter N. Byberg and seconded by A. Pribble. "I protest the election of Mr. Mitchell as not the proper man to represent the C.C.F.," stated Mrs. Brown. "I will take it to the provincial council."

"If Mrs. Brown wishes to take this to the provincial council, she may do so," stated the chairman. Referring to the party he said, "Unwise things have been done in the past and may be done in the future. There are mistakes and will be mistakes in the growth of this party. It has been in a new movement but we will succeed in spite of it."

"I deeply deplore what has happened here this afternoon," said Mr. Mitchell. "I had put myself forward. No one else came forward. We apparently have two elements in North York, the farming element and the urban. I am supported in main by the industrial element. I won their support and admiration by hard work."

"I had to pull myself up by the bootstraps, so to speak. I've been called everything imaginable. I was called a Red. Insofar as I was associated with the Liberal party, that is no crime. Some of the element here were members of the organization and changed."

"I appeal to you to forget this personal antipathy, the disappointment that some farmer candidate was not nominated. If you speak to your reeves, any of them will tell you that no man in the York county council has fought harder for the farmer than myself. I am satisfied that the farmer has been taking a licking for the last ten or 15 years and that unless something is done about it he will go on taking it on the chin."

"I've been in the last war and received two wounds. My son is in this war."

"We have people overseas fighting and I feel that we have a battle here," stated the chairman, Mr. Brewin. "We believe in the C.C.F. that we are different from other parties. The workers and farmers must and will work together. After the war there is danger of going back to the depression of after the last war and unless we avoid it there will be chaos. It is up to you to prove that democracy can and will work. This is a historic riding. It is a riding that is representative of the whole of Canada."

He exhorted them to forget their disappointments and pull together.

### WILL PRESENT CONCERT

Miss Cora Charlton of Lakefield, Miss Barbara Davis, Miss Jean Davis and Isha Goodman of Newmarket, and Turry Doane of Queensville, will be heard in a concert at Pickering College on Tuesday, April 20. The concert is in aid of the Navy League.

## TEACHER IS PRISONER

Pilot-Officer Raymond Taylor is a prisoner of war in Germany, according to word received by his wife, the former Arlene Smith of Newmarket. Pilot-Officer Taylor taught public school in Newmarket for a year. Mrs. Taylor and baby son are living with Mrs. Taylor's sister in Toronto.

## MAYOR THANKS BUGLE BAND FOR SERVICES

The R.S.A. bugle band has disbanded for the duration, Roy Rhinehart told the town council on Tuesday evening.

"Forty-four of our boys are in the forces," he stated.

Mr. Rhinehart asked the town for a place to store the band's instruments, valued at \$1,200, for the duration of the war.

The council referred this request to Councillor Wm. Dixon, chairman of the property committee.

"We do appreciate the advertising you have given the town, and the training you have given the boys, and I hope when the war is over—and may it be soon—you will be able to carry on."

Mayor Dr. L. W. Dales told Mr. Rhinehart. "I think the people of the town are behind the R.S.A. bugle band."

## R.C.A.F. Will Return At Regular Intervals

A number of interviews were given to both men and women by the R.C.A.F. recruiting unit which visited Newmarket on Tuesday.

The unit will visit Newmarket at regular intervals. Announcement will be made of the next visit.

Thanking the town council for the use of the town hall, Flt.-Lieut. Thomas Pryde stated on Tuesday evening that the purpose was to save young men and women travelling to Toronto, and to avoid the delays and return visits necessary when they go to a busy city recruiting centre.

"We provide all tests and all the information that would be available at a large centre," he stated.

Section Officer K. L. Fitzmaurice, also with the unit, told the Newmarket Horticultural Society on Tuesday evening of the training and opportunities offered to young women joining the women's division.

## May Earn \$30 A Week And Still Be Indigent

Whether a man with a wife and six children and earning \$33 a week is an indigent, Newmarket town council considered on Tuesday evening.

Some members of the council thought he would be unable to pay a hospital bill. The man himself told a town investigator that he wanted to pay his own bill, and the council consequently refused the account.

Another notice from the hospital was for a man who said he had six children and \$20 a week. The council questioned the accuracy of the information given, but accepted responsibility.

"If he had \$30 a week, and only five children to look after he still couldn't pay a hospital bill," said Councillor Wm. Dixon.

"Let us clean these accounts up and help the hospital," urged Mayor Dr. L. W. Dales when the council hesitated over payment of other accounts which the hospital had been unable to collect.

"It's a good way to give the hospital a little extra grant," said Dr. Dales. "We want good service there."

York county pays half of the accounts accepted by the town.

### MEET APRIL 15

The Newmarket Women's Institute meeting will be held at the home of Mrs. Fred Penrose, Second St., on April 15, at 2.30 p.m.

The hostesses will be Mrs. Thos. Watson, Mrs. D. W. Evans, Mrs. Alex. Dunn and Mrs. Roy Meads.

## Winter's Damage to Lorne Ave. May Cost Town \$1,000--Bowser

### Need For Work On Town's Sidewalks Is Called To Council's Attention, Would Cost Thousands

Instructions were given to the road and bridge committee to bring in estimates on the cost of repairing town streets broken up by the frost, at a town council meeting on Tuesday evening.

"Lorne Ave. is going to pieces," said Councillor Frank Bowser, chairman of the committee. He estimated that it would cost \$1,000 to repair this street.

"Botsford, Timothy and Millard Aves. should receive first consideration," said Mayor Dr. L. W. Dales.

It was estimated that it would cost two or three thousand dollars to fix the sidewalks. Mayor Dales said that they needed attention.

"If we have to do it with our own help, we should get the materials now," said Councillor Frank Bowser.

Mayor Dales said he thought they would have to get an outside company to do the work.

## Reeve Heads Committee To Study Post-War Work

### PROVINCE MAY HELP WITH UNNECESSARY BUT DESIRABLE PROJECTS

A special committee to consider "a work program to absorb post-war unemployment" was appointed at a town council meeting on Tuesday evening.

Mayor Dr. L. W. Dales appointed Reeve F. A. Lundy chairman. Other members are the chairmen of the council's standing committees.

The committee was appointed on the request of Hon. T. B. McQuesten, minister of municipal affairs. "There is reason to believe that we have passed through the darkest days, which would warrant and require the provincial and municipal governments to give consideration to post-war problems," wrote Mr. McQuesten.

"Employees of war industries will likely be unemployed immediately hostilities are ended and will continue out of employment until such time as industry has adjusted itself to peace-time production."

"The chief problem of our municipalities will be unemployment, due to the cessation of war industries, the discontinuance of dominion boards and services, and the demobilization of the armed forces."

When war industries cease, dominion, provincial and municipal governments should provide work to "absorb the unemployed until such time as industry can again absorb the workers of the province."

"It may be that financial assistance will be provided municipalities who construct the type of works for the relief of unemployment which are not absolutely pressing, although desirable."

## Town Buys Chlorinator, Mayor Urges Softening

Purchase of \$500 of a water chlorinator, which Newmarket has been renting for the past five or six months at \$50 a month, was recommended by Deputy Reeve Arthur D. Evans, chairman of the water and light committee, to the town council on Tuesday evening. The council gave approval.

While Newmarket water tests A and the use of the chlorinator will be discontinued, it will be needed whenever there is a break in the system, said Mr. Evans. Mr. Evans said that the water and light committee is interested in finding out how little chlorine can be used in the water and still keep it grade A.

"Have you ever considered softening the water?" asked Mayor Dr. L. W. Dales.

"We have been studying it," said Mr. Evans.

"I think there would be a tremendous saving on the pipes and in soap if we could soften the water," said Dr. Dales.

## Communities Invited Into Loan Contest

Ottawa, April 7.—Communities in all parts of Canada will be competing one against the other during the forthcoming fourth Victory loan campaign in a contest to determine which village, town or city promotes the best idea in support of the campaign.

The national war finance committee announced today that it will present a trophy to the community "which evolves and executes the best promotional idea."

The value of the idea and its execution in relation to the size of the community will be the basis for judging. Thus a small town will have just as good a chance to win the award as a large city. In addition to the national award, there will be five others given to communities grouped in classifications by population.

## Coming Events

Every Friday evening—Old time and modern dancing at Mid-diebrook's dance hall, Armitage.

## ENCOURAGING PARENTS

We dedicate some thoughts to Reeve Fred A. Lundy, who bases opposition to municipally paid for social services on the statement that the property-owner is over-burdened and over-taxed. We say that tenants pay taxes to the same extent as property-owners. Reeve Lundy evidently disagrees.

Now daringly B. K. Sandwell, one-time university teacher and presently editor of Toronto Saturday Night, ventures to tell Mr. Lundy that the tenant pays more taxes than the property-owner.

And if you listen to Mr. Sandwell's arguments you find yourself agreeing that he is right. He is speaking of income taxes, and of the property-owner who lives in his own house.

Mr. Sandwell says: "Let us take two young workingmen with a wife apiece and an income of \$1,200. One has invested in a house with a net rental value (after taxes etc.) of \$240 a year. The other has put the same amount of savings into a good stock, yielding him at the same rate on his capital. The one will pay no income tax, the other will pay two-thirds of \$240, or \$160; his total income is \$1,440, of which \$600 is exempt, \$500 bears \$150, \$280 bears \$93 in the graduated tax, and the whole thing bears seven percent in the normal tax, or \$100.80, total \$343.80 less \$150 for wife is \$193.80, but not more than \$160 can be taken under the 1943 amendment. Bonus to the house-owner for living in his own house, \$160, or two-thirds of his imputed rent. If the income were \$100 higher, the bonus would be the full \$193.80."

Fortunately, as Mr. Sandwell goes on to point out, these bused "people who live in their own houses are largely people with children." "They should be bonused for having children, and not for living in their own houses; and the people who live in their own houses and have no children should not be bonused. The present allowance of \$80 per annum for each dependent child is utterly inadequate. If a married pair with \$1,200 should be left untaxed, a pair with two children should be allowed at least \$1,800 untaxed, instead of which they pay \$182.80 after the allowance for the children."

In other words, Mr. Sandwell would have everybody assessed for income tax on their full income, regardless of whether it is in the form of enjoyment of a house they have purchased or the revenue from Victory bonds. He would then give exemptions for income tax purposes which would help and encourage people to raise families. "This country needs families, and it needs well brought up families."

If Mr. Lundy thought as Mr. Sandwell does, in terms of this country's tomorrow, he would not have been so anxious to reduce the municipal tax rate this year. He might have considered if the money being saved as a result of this year's mill and a half reduction in the school rate might not be spent in some other way which would help and encourage parents, for instance, school health services, pre-school health services, pre-natal services, a more adequate grant to York county hospital (a grant that would have made it unnecessary to increase the infant day rate), or even municipal garbage collection.

Reeve Lundy has a real interest in the town's children, and he evidences it by his membership in the Lions club. We think that perhaps, after he has studied Mr. Sandwell's suggestions, he will reconsider his viewpoint on municipal taxation, and begin to think more of the encouragement of parents than the burden on property-owners. He can't revise the income tax structure, but he can and does, as chairman of the town council's finance committee, influence the collecting and spending of municipal taxes.

It has been decided for the time being to discontinue printing the Bulletin, which has been issued quarterly for the past year. The editors are Rev. Gordon Lapp and Fred Peel. It was thought that the Bulletin, while worth while and interesting, was perhaps not necessary, and that until later in the year the earlier numbers would not be issued.

However, as the campaign has gone over so well, it may be that the publicity given by the little paper did much and assisted considerably. Members of the society are asked to let the president, vice-president or Rev. Gordon Lapp know what their feelings are on the subject.

The master story-teller's most exciting story of the sea, Rafael Sabatini's "The Black Swan," has been translated by 20th Century-Fox into a rousing adventure film. The picture is in technicolor.

Starting Tyrone Power and Maureen O'Hara, the film coming Monday to the Strand theatre features a cast equal in magnitude to the richness of the story—Laird Cregar, Thomas Mitchell, George Sanders, Anthony Quinn, George Zucco and hundreds of others.

Rafael Sabatini's breath-taking tale is a classic. The book has yet to be written that can match "The Black Swan" in virility, in the tempestuousness of its romance, the break-neck pace of its turbulent action, the fury of its stirring characters.

The film's story is known to virtually all. It holds a nautical telescope, so to speak, over the whole era when villainy wore a sash and cutlass, and the only political creed in the world was

## 25 YEARS AGO

From The Era and Express files, April 5, 1918

Stanley Janes has sold his place on the south end of Prospect Ave. to Mr. Collins of Stouffville.

Mr. and Mrs. Arthur Dodde-meade celebrated their silver wedding anniversary on March 22. A large number of friends and relatives were present for the occasion.

Owing to the many complaints about children running the streets at night, council decided on Monday evening to put into force the Curfew by-law, whereby all boys under 14 years of age and all girls under 16 years of age must be off the street by 9 p.m., unless accompanied by their parents or guardians.

love, gold and adventure. It tells the saga of the freebooters, those bold seafarers turned loose by greedy princes to waylay other greedy princes.

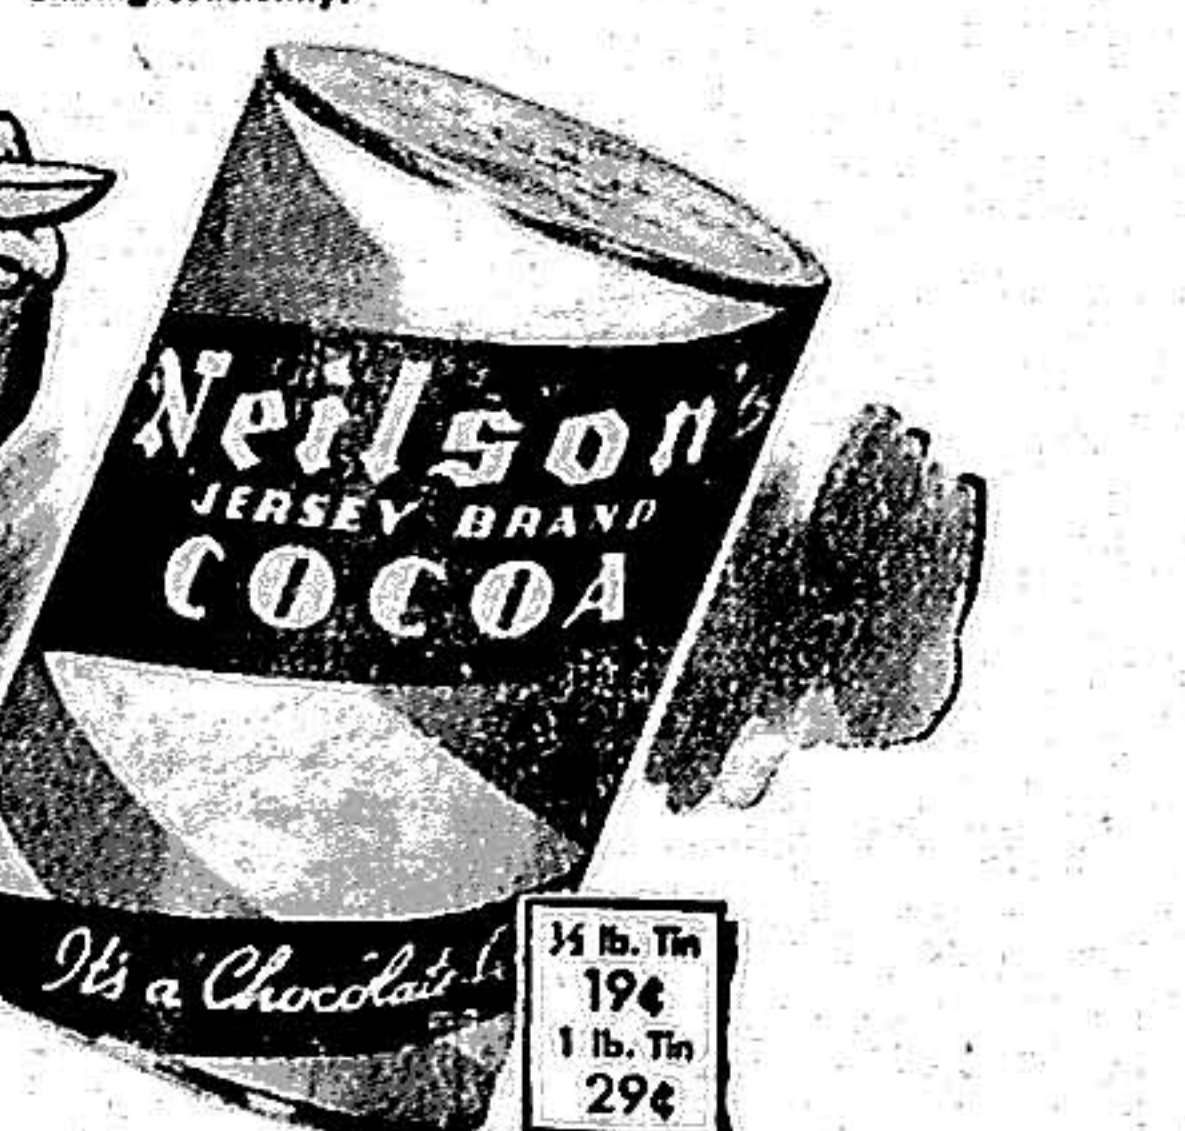

The dashing role of Capt. James Waring, a buccaneer who plunders a ship's prize or lady's lips with equal abandon, would seem to be tailor-made for Power. "The Black Swan" marks the first romantic pairing of Power and Miss O'Hara.

### Make Your Dollars Count Double

● What do you buy with your hard-earned dollars? Food, clothing, shelter? Then they are well-spent. But, the dollars that you have invested in Victory Bonds have a double value. They are helping to train, feed, equip and transport Canada's fighting men. At the same time that your Victory Bond investments are helping your country in her time of greatest need, they are paying you good interest. And, every day you find pleasure in thinking of how much they will mean to you when the war is over.

Very soon you will have a chance to buy more Victory Bonds. Dollars invested in this way will be even more valuable than ever because, our fighters are on the offensive. There's a better chance than ever for an early Victory.

Think what this will mean to you and your family—to men and women everywhere who are born to be free.

Canada has sent a steady stream of men and materials to the fighting fronts. Now that we are marshalling for the attack, we must have huge reserves. It must be clear to all that the greater our available supply, our reserve of fighting tools, the fewer will be our losses in men.

You can help to save lives, hasten Victory, bring our men back home: You can help to assure "the four freedoms" for all—by buying Victory Bonds to the limit of your ability: You are not asked to give but only to lend. Help Canada: Safeguard your own future. Be ready to go the limit when the Victory Bond salesman calls:

## RATION NEWS

### Last Call for Canning Sugar

You have less than a week—April 15 to be exact—to send in your Application for Canning Sugar to your Local Ration Board. Fill out your own Application Form in your Ration Book. State the number of persons for whom you are applying, including yourself. Then attach the Application Forms of others who will be feeding in your household, after you have filled in their serial numbers. Pin them to your application and mail immediately to your Local Ration Board.

### Sugar for Rhubarb

An extra allowance of sugar may be obtained for use with home grown rhubarb. Effective April 1st, Coupon No. 1 from the Spare "B" sheet (blue) is good for 1 lb. of sugar for culinary use with rhubarb. This sugar bonus will permit the consumption of approximately 5 lbs. of rhubarb per person. Only Spare "B" coupon No. 1 may be used. It is valid now and expires May 31.

### Final Warning

Before discarding your Ration Book No. 1, tear off the cover on which is printed the prefix and number which, for ration purposes, will be yours for the duration. Put it away in a safe place for future reference.

### Boarding Houses

Where arrangements are made between boarders and boarding-housekeepers with regard to surrender of their applications for Canning Sugar, in the event of any change in status before next Canning Season, settlement must be made by the persons concerned, without reference to the Ration Administration.

This column will appear in this newspaper every week to keep you up-to-date on Ration News. Clip and keep for reference.

### Butter Coupons

Butter coupons Nos. 1, 2, 3 and 4 are now good. Coupon No. 5 becomes good April 10. All of these coupons expire April 30. Butter coupon No. 6 is valid April 17; No. 7 on April 24; No. 8 on May 1; No. 9, May 8. All these coupons expire May 31.

### Home Canning Programme Objective

The objective of the Home Canning Campaign is to have women do up the Greatest Amount of Fruit with the Least Amount of Sugar. This automatically puts the emphasis on Home Canning rather than on Jam or Jelly. Canning Sugar must not be used for canning Dried Fruits, Pickles, Vegetables, Marrow, Pumpkins, Tomatoes or making Homemade Wines. If sugar is used for any of the above it must be taken from your regular weekly ration.

### Summer Tourists

Tourists staying in Canada for longer than eight weeks who require sugar for canning, must make application to a Local Ration Board. If the application is granted, it will be on the same basis as the Canadian citizen's allowance.

### Small Arms Ammunition Rationed

Small Arms Ammunition now comes under rationing orders to ensure adequate supplies for those considered as essential users. This category includes persons who depend on hunting for food, licensed trappers, prospectors, persons guarding property or livestock, military units and certain police forces. Persons already in possession of ammunition for their own personal use are permitted to use same.

## Gathering the Sport Facts

Toronto Maple Leafs of the International league are now enjoying the second week of their spring training at Lancaster, Pa. Right now the team looks just as good as any outfit in the league. In these uncertain war times no team can be sure of what names its roster will show when it goes to the post on the 21st and 22nd of April.

Toronto will open with Baltimore one day ahead of the rest of the league because of the horse-race opening at Pimlico track on the 22nd. The Baltimore club did not want to run opposition to the race-track authorities on opening day, so they advanced theirs one day.

The Leafs have four good starting hurlers. In fact, they look real strong in this department. Any team with hurlers like Hamlin, Strincevich, Conger and Sullivan can look forward to the opening game. Then there is the bright prospect of getting help from the Pittsburgh "Pirates." The "Pirates" will probably send two or three more to Toronto.

Harry Davis and Al Rubeling will form the nucleus of a strong infield. If Charlie Letch, the Greek second-baseman who was purchased from Atlanta for \$4,500, is as good as his record shows, the team should be well fixed in this department. The outfield looks like the weakest spot, with only one experienced AA performer on the roster.

By using Era and Express classified columns you can make and save money.

Much is expected of this Peter Gray, the one-armed wonder of the Canadian-American league, who was purchased from Three Rivers. Last year he led the league in hitting with a mark of 381.

Gray hit only two extra base blows in attaining this mark, which means that the boy is probably a real speed artist and beats out many infield hits. Incidentally, if any of our readers are wondering about it, Gray bats and throws left-handed.

Did you know that Cy Young, old-time pitcher, who pitched for 31 years in the American league, has a major league record of 510 victories? It is guessed that no other pitcher will ever come near his record.

Paul Derringer, who will throw them up for the Chicago Cubs this year, has pitched for 11 years in the National league, yet he has never been knocked out of the box in Wrigley Field, Chicago. Phil Wrigley of the "Cubs" says "that if you can't beat him you might as well have him on your club." So last winter they bought him from the Cincinnati "Reds."

There are over 20 artificial rinks in southern California. Some of these rinks will be used by the Montreal "Canadiens," plus Turk Broda and a couple of other stars, in their exhibition hockey tour within the next two or three weeks.

### "NOT NICE TO SEE DEAD CHILDREN ON STREET"

"Many thanks for the cigarettes which I received last night," writes Sgm. Lester Woolven on March 9 to the Newmarket Veterans' Soldiers' Comforts fund. "They sure tasted swell, as I have been smoking limey cigarettes for nearly two months now and I guess you fellows know what they taste like."

"We have been having some lovely weather lately, just like the month of May."

"Was up to Scotland a couple of months ago on a seven-day leave. The people up there sure do treat you swell. I never had a more enjoyable time in my life, as the people make you feel like one of their own."

"As yet I haven't met many of the boys from home, but I don't very often leave camp, except on weekends, when I go to some friend's place in London. I was at their place during the last air raid. An air raid is exciting to watch, but some of the sights afterwards are hard on the stomach, as it is not very nice to see children lying on the street dead. Right now, though, the English air force seems to be giving the Germans a little of their own medicine."

"Well, will say good luck to you fellows over there and again thanks a million for your kindness in sending the cigarettes."

A card of appreciation has been received from Sgm. J. S. Farley.

### Should Start Hotbeds Now—Horticulturalists

(By Rudy Renzies for Newmarket Horticultural Society)

If you haven't already started your hot-beds now is the time to get into operation. On account of electric power shortage, it is of course important to use only the old-style manure-heated bed. It is, of course, an old standby, will give good satisfaction and be depended on for enough heat for the required length of time, if properly taken care of.

It is a good policy to mix hardwood leaves with the manure, one-third leaves and two-thirds manure. Turn over the pile once or twice after heating has begun. The mixture must be slightly moist for proper fermentation. The heating mixture should be packed firmly in the bottom of the bed. Two feet depth is sufficient in our district.

Soil for top should be not less than four inches deep. Cover the bed with its sash. After the inside temperature has dropped to below 90 degrees F, give the bed a thorough ventilation and sow the seeds. The bed should, of course, be sheltered from strong winds, even if you have to erect a temporary windbreak. In case of sharp drops in the temperature, it is well to have straw mats, burlap bags or newspapers held down with boards ready for covering the beds.

Seeds to be included in early sowings are hardy carnations, asters, salvia, snapdragons, verbena, salpiglossis, tomatoes and your own private pet flowers.

### ATTEND OPERETTA

Rev. and Mrs. A. J. Patstone of Stayner paid a brief visit to Newmarket last Thursday on their way to a Red Cross convention in Toronto. They attended the annual Gilbert and Sullivan operetta at Pickering College and left for the city on Friday.

## Poor Old Bunthorne Misses The Train Again

By E. C. M.

Pickering College Glee club, under the direction of Robert E. K. Rourke, and with the assistance of a Newmarket ladies' chorus, delighted capacity audiences with their presentation of the Gilbert and Sullivan operetta, "Patience," on Thursday, Friday and Saturday evenings.

The operetta opens with 20 love-sick maidens singing, and sighing, over their hopeless love for Reginald Bunthorne (R. E. K. Rourke), a "fleshy" poet, who depicts the "new art" and aestheticism of the period.

Bunthorne, however, is in love with Patience (Alice Strong Rourke), a blithe, gay, milk-maid who knows nothing of love.

The officers of the Dragons arrive on the scene to find their former loves, the lovesick maidens, following Bunthorne with an enraptured gaze as he writes in the agonies of composing a new poem. But the lovesick maidens have nothing but jeers for their indignant and astonished former loves.

Meanwhile Lady Angela (Elizabeth Beer) succeeds in convincing Patience that love is a "duty" and must therefore be unselfish. Patience has no trouble falling in love with her childhood sweetheart, Archibald Grosvenor (Ward Cornell), an idyllic poet. She decides, however, that since Grosvenor is so perfect her love for him is selfish, but to love Bunthorne would be the "apex of unselfishness." She comes to the conclusion that it is alright for Grosvenor to love her, because she is not perfect and such a love would be unselfish.

Patience tells Bunthorne of her decision to marry him just as he is about to raffle himself off to the lovesick maidens, who, having lost all hope of ever winning Bunthorne, return to their former loves, the officers of the Dragons.

They are true to the Dragons only until Grosvenor appears, when they immediately fall desperately in love with him, and follow him everywhere. A highlight of the scene occurs when Grosvenor asks the lovesick maidens for the usual Saturday half-holiday.

Lady Jane (Maire Jackson), a plain-looking, haughty maiden, whose charms are fast fading, is the only one of the group still faithful to Bunthorne.

Colonel Calverly (David Cottrell), the Duke of Dunstable (Daniel Sherry) and Major Murgatroyd (Murray Gill), having failed in their efforts to win their loves back, as a last resort decide to become aesthetic and receive encouragement from the ladies.

Bunthorne is just a little "put out" because he has been deserted by the 20 maidens and they have turned their attentions on Grosvenor. He finally threatens Grosvenor into forsaking aestheticism. But even then the lovesick maidens can find no fault with Grosvenor and change to costumes of the gay 90's to match the loud-checked suit he was forced to wear. Patience, however, decides that Grosvenor is no longer perfect and therefore to love him would be unselfish. The Duke of Dunstable chooses plain Lady Jane and Bunthorne is entirely overlooked by the ladies. His "crushed again" was a suitable description of the situation.

Robert E. K. Rourke stole the show with his portrayal of Bunthorne, and kept the audience in good humor all evening.

Much desired and sighed-after Patience, played by Alice Rourke, left nothing to be desired and the performance of Maire Jackson as

Lady Jane was excellent.

Elizabeth Beer as Lady Angela, Gertrude Clarke as Lady Saphir and Dorothy Pipher as Lady Ella, played their parts well.

The scene by David Cottrell as Colonel Calverly, Murray Gill as Major Murgatroyd and Daniel Sherry as Lieut. the Duke of Dunstable, in which they try to become aesthetic, was cleverly done and received a great deal of appreciation from the audience.

The part of Archibald Grosvenor was excellently portrayed by Ward Cornell.

Peter Schopflocher played the brief part of Bunthorne's lawyer. Lady Jane and Bunthorne were brought back several times with their duet, "So go to him, and say to him." The solos and choruses were well done and many of them were encored.

The chorus of rapturous maidens consisted of Marion Bunt, Jean Case, Elva Cotton, Joyce Marwood, Betty MacInnis, Phyllis Osborne, Clarice Peppiatt, Elsie Plowright, Dorothy Scythes, Jean Smith, Joyce Smith, Velma Thompson, Doris Willis and Jean Willis.

The chorus of officers of the Dragon Guards were Edward Cooper, Russell Cooper, Peter Esheby, James Frost, Keith Garrett, Hartley Greenbaum, Claude Harvey, William Hersee, Ross Hosack, Daniel Kent, Douglas Kilgour, Victor Koby, George McCowan, John Meisel, Robert Moffat, Douglas Mossop, William Mould, Carl Moyle, Robert Richardson, Edward Richardson and Martin Shubik.

The accompaniment was beautifully done by John Newmark. Musical assistants were Reginald Godden and Gerald Rutledge.

The make-up was exceptionally well done by the staff and ladies of the school community. The sets by Fred Hagan, Rudy Renzies, Wilfred Coutu and William Maresch were a work of art. F. Bunt and Reginald Godden looked after the properties and the ladies of the school community made the roses. C. R. Blackstock, F. Bunt, Wilfred Coutu and William Maresch were stage managers. B. W. Jackson looked after the lighting. The wardrobe was taken care of by F. Bunt, Fred Marx and Arnold Wigston and the costumes were by Malla-bar.

## NEWMARKET BOY FINDS SUNNY SOUTH IN BLOOM

Word was received from Cpl. Harold Evans on Monday of his safe arrival in Kentucky. Cpl. Evans left Ottawa for Fort Knox last week to take a special course.

Cpl. Evans writes that he saw the Ohio river in flood, but that it was now nearly normal. He said also that they stepped right into spring, for there were flowers everywhere, daffodils and other spring flowers, and the fruit trees in blossom. He says it is a large school, and they have to work in shifts. In his shift they go to bed at 9 p.m. and get up at 4 a.m. They are all Canadians in the bunk-house where

he and his chum are billeted. The meals are served cafeteria style by darky waiters, and the cooks, too, are darkies. Cpl. Evans says the meals are really good. He expects to be there till July, with no leaves whatever.

## MAIN DRIVING WHEELS OF CANADA'S WAR EFFORT

**HURRYING** wheels, thundering wheels. Wheels that have made it possible for Canada to grow in strength.

Today those wheels—the driving wheels of Canada's railways—are setting the pace for the war effort. They haul raw materials to humming war industries and rush away the finished tools of battle. They move food and fuel for the home front and the fighting front. They speed civilians on essential business, hasten troops to camps, embarkation points and on leave.

It's Canada's big war job. A job that only railway wheels can do. A job in which an army of 150,000

railway workers, men and women, is in the fight for Canada . . . shop crews and train crews, yard workers, section hands, telegraphers, signal men and office workers, a multitude of men and women in a multitude of jobs. They are making the giant wheels turn faster and faster.

From coast to coast in Canada, we—your railways—are rolling in the service of freedom, and our lines to and in the United States have linked the war efforts of two great sister nations.

The railway wheels are driving, in war as in peace, for Canada.

## CONTEST IS SCRAMBLED AND CODED, WINNERS MUST WORK FOR THEIR PASSES

Forty-four correct answers were sent in to last week's scrambled word contest, which was open only to those who have not won before this year.

Miss Marjorie Smith at the post office drew the five winners as follows: Mrs. A. Johns, 63 Gorham St., Newmarket; Gernell Williams, Newmarket; Mrs. W. C. Blight, 48 Millard Ave., Newmarket; Jim Rutledge, Newmarket; and Miss Eula Pollock, Keswick.

These winners may pick up their passes at the Strand theatre. They have their choice of "Thunder Birds" and "That Other Woman," with Virginia Gilmore and James Ellison, on Tuesday, April 13, or "Keep Fit," starring George Formby, and "Atlantic Convoy," starring Bruce Bennett, Virginia Field and John Beal on Thursday, April 15.

The correct answers were: separator, flowing, blossom, repairing, excellent, sideboard, kitchenette, shuttle, preferred and comfortable.

**THIS WEEK'S CONTEST**

This week's contest is open to everyone. The five winners will have their choice of seeing "Reunion in France," starring Joan Crawford, John Wayne and Philip Dorn, and "Junior Army," starring Freddie Bartholomew and Billy Halop on Tuesday, April 20, or "Pittsburgh," starring Marlene Dietrich, Randolph Scott and John Wayne and "Between us Girls," starring Diana Barrymore and Robert Cummings, on Thursday, April 22. Answers must reach The Era and Express office by 9.30 a.m. on Tuesday.

This week the editor both scrambled and coded the words. By coding is meant that each letter stands for some other letter. By scrambling is meant of course that the letters in each word have been mixed up.

We hope it's difficult. The ten words will all be found in the classified columns. Here are the scrambled words with their remanent letters: **RUCJCUZO, MKC-TOKX, KZKXIGIT, XLVKKJX-KX, VNUOYRGZ, PHTUG, MKKZYDEX, ZHUJXCAU, XT-USUYA, KSVG.**

### CHRISTADELPHIANS

Christadelphians believe the only true God is He who was revealed to Abraham, Isaac and Jacob by angelic visitation and vision. Also to Moses at the flaming bush (unconsumed) and at Sinai, and who manifested Himself in the Lord Jesus Christ the supreme self-existent deity, the one Father, dwelling in light unapproachable, yet everywhere present by His Spirit, which is a unity with His Person. Isa. 43: 12-25; Mark 12: 29-30; I Cor. 8: 4-6; I Tim. 1: 17.

Read "CHRISTDELSHIP—TRUTH" by Robert Roberts in all public libraries or from HOWARD TOOLE, MOUNT ALBERT, or THOS. BRIGGS, PEFFERSLAW, ONT.

## IN MEMORIAM

Doan—In loving memory of our dear father, Calvin Davis Doan, who passed away April 8, 1942.

There's an open gate at the end of the road  
Through which each must go alone.  
And there is a light we cannot see  
Our Father claims His own.  
Beyond the gate our loved ones  
Find happiness and rest.  
And there is comfort in the thought  
That a loving God knows best.

Ever remembered by the family.

## Munshaw—In loving memory of our dear mother, Jennie Brown Munshaw, who died on April 7, 1930.

Thirteen years have passed and gone  
Since one we loved so well  
Was taken from our home on earth  
With Jesus Christ to dwell.  
The flowers we place upon her grave  
May wither and decay,  
But the love for her who sleeps  
Shall never fade away.

Ever remembered by her husband and three sons, Ewart, Bruce and Garfield.

## Munshaw—In loving memory of our dear mother, Jennie Brown Munshaw, who died on April 7, 1930.

Gone, dear mother; gone forever  
How we miss your smiling face.  
But you left us to remember  
None on earth can take your place.

A happy home we once enjoyed—  
How sweet the memory still—  
But death has left a loneliness  
The world can never fill.

Ever remembered by daughters, Mary and Agnes.

## Rutledge—In loving memory of a dear wife and mother, Mrs. W. E. Rutledge, who passed away April 8, 1940.

Sleep on beloved and take thy rest,  
Lay down thy head upon thy Saviour's breast;  
We loved thee well, but Jesus loved thee best.  
Good night. Good night. Good night.

Only good night, beloved, not farewell,  
A little while and all His saints shall dwell  
In hallowed union, indivisible,  
Good night.

Until made beautiful by love divine,  
Thou in the likeness of Thy Lord shalt shine,  
And He shall bring that golden crown of thine,  
Good night.

Until we meet again before His throne,  
Clothed in the spotless robe He gives His own  
Until we know even as also we are known,  
Good night.

## Sadly missed by husband and children, Mrs. Allan Mills, Newmarket, Mrs. Morley Rowland, Vancouver, Albert Edward, Vancouver, William Alex., Hamilton, Mary A., Hamilton, and P.O. Harold Borden Rutledge, Dunnville.

## The Aurora Era

AURORA PAID CIRCULATION  
EXCEEDS 250 COPIES

SINGLE COPIES, 5 CENTS EACH

"DEFENCE" COURSE  
INCLUDES PHYSIOLOGY

"We are well pleased with the results obtained in the national defence courses conducted for the first time this year," Principal J. H. Knowles of Aurora high school told The Era and Express.

"The pupils of both sexes have all taken a keen interest in the course and the marks were all consistently high. Many people do not understand the nature of the courses being given but they are very comprehensive, and will be exceedingly useful to the country in case of emergency."

A glance at the examination papers set for grades XI and XII showed the boys answering such questions as: "What are the duties of organized civilian defence in modern warfare?" "Name three methods used to combat incendiary bombs." "What are the purposes of incendiary bombs?"

Map reading questions consisted of definitions, the construction of a scale and conventional signs.

The girls answered such questions as: "Describe the structure of the spinal column," "Describe the circulatory system of the blood," "What are the necessary qualifications for a first aider?" "Draw and label an incendiary bomb."

The girls' study included physiology, first-aid and civilian defence.

COMBINE WATER AND  
LIGHT, IS DECISION

Combining water and light departments under the new electric light superintendent, Chas. Copeland, Welland, who will take over his duties shortly, was recommended by Councillor Ross Linton on behalf of the electric light committee at an Aurora town council meeting on Monday evening.

Mr. Linton's report said that in view of the filling of the position of town electrician by Chas. Copeland at a salary of \$2,100 a year, the committee recommended the amalgamation.

"In this way our present helper, Mr. A. Dunn, could be retained to assist in either department where ever help was necessary," he said. "Unless some such arrangement can be made, the electric light department cannot operate at a profit nor should it have to maintain two men, one at \$40.50 per week and one at \$28 per week under present conditions when there are no new lines nor alterations being undertaken."

"Under a combined committee of light and water, Mr. A. Langman could continue in an advisory capacity on both utilities, operate the pumping stations and keep a continuous record of our supplies, also act as stock-keeper."

Mr. Linton recommended overhauling the old town truck for the combined departments, remodelling of garage and storehouse at water-works for stock-room and garage, and locks should be attached so that one man could keep control over the merchandise on hand, definite arrangements as to responsibility for repairing breaks during weekends and holidays, and R. Rank to be retained as meter-reader for \$25 for the job each month (\$600 meters).

Father Is Absent,  
Boy Presents Brother

Baptized at Aurora United church on Sunday were the children of two of Canada's fighting men. They were Rosalie Joan Collins, daughter of Cpl. and Mrs. Lionel Collins, and Douglas Ian, son of Sgt. and Mrs. Samuel Stephenson.

Cpl. Collins is stationed at the Aurora Ordnance depot and Sgt. Stephenson is an instructor at Three Rivers, P.Q. Rev. Roy Hicks officiated.

A unique feature of the ceremony was when Donald Stephenson presented his brother for baptism, taking the place of his father, who was unable to be present.

Franco Will Fall After  
War Is Prediction

Rev. Zacharias P. Carlos, a Spanish missionary who has spent many years in his native country, spoke in Aurora Baptist church on Sunday afternoon and evening. Following the evening service he exhibited lantern slides of Spain.

Mr. Carlos predicted a change of government in Spain after the war and the fall of Franco. He said that Franco and the present administration could not be trusted and presented a real menace to the United Nations.

## MAKES APPEAL

PAYS \$8 FOR LUNCH,  
MONEY AIDS MISSIONS

Wesley Young People's box social, which had been postponed many times, took place Friday evening in Vandorf hall.

The evening was spent in games, followed by a good program. The main event of the evening was the auctioning off of the prettily decorated boxes. Robt. Carr was the auctioneer and the boxes ranged in price from \$2.50 to \$8. A total of \$66 was realized in aid of the missionary fund.

The young people held their meetings Tuesday evening. Sunday visitors at the home of Mr. Wm. McDonald were Mr. and Mrs. Clarke Harper and daughter, Marjory, Mr. and Mrs. Wm. Day and son, Renwick, Miss Grace McDonald and Mr. Bud Cooke, R.C.A.F., all of Toronto.

A number from this community attended the Pickering College club presentation of Gilbert and Sullivan's operetta, "Patience," on Thursday, Friday and Saturday evenings.

Mrs. Jas. Graham is confined to bed through illness.

## CALENDAR

The women's organizations of Aurora United church are holding a "Newcomer's tea" on Saturday afternoon, when all ladies who have moved to the town during the past year will be welcomed.

AURORA BOY HAS MINOR  
PART IN ARMY SHOW

George Richards, youngest son of Mr. and Mrs. William Richards of Toronto, formerly of Aurora, who is on active service, is a member of the cast of the army show now playing in Toronto and which will tour Canada.

The Era and Express may be purchased in Aurora at White-law's, Morning's and Hess's.

SERVING AURORA AND DISTRICT

"Buddy" Moynihan, 6, Has  
Skull, Both Legs, Broken

While returning from Armitage school Thursday afternoon, six-year-old Cornelius ("Buddy") Moynihan, son of Mr. and Mrs. Eric ("Pete") Moynihan, Yonge St. north, was struck by a south-bound automobile, driven by a Barrie lady, as he attempted to cross Yonge St.

The child suffered a fractured

skull and two fractured legs. After emergency treatment by Dr. Crawford Rose he was rushed to York County hospital.

Reports at the weekend indicated the lad's condition to be hopeful.

Traffic Officer Howard Jackson of Richmond Hill investigated.

Vanquish Oshawa To Go  
Into Semi-Final Round

Playing fast but careful hockey, Aurora soldiers vanquished Oshawa 11-4 Saturday afternoon at Ravina rink, Toronto, to advance to the O.H.A. intermediate semi-finals.

The boys from the depot left no doubt as to their superiority. They carefully watched Furey and Calhoun, the two ace Oshawa snipers, and gave Phil Burkhardt a miserable afternoon. Jack Stafford, Jack Culverwell and McCarthy were absent, but Eddie Oulette of Windsor, former minor professional star, fitted in well.

"Pat" Patterson handled a fast, clean game in fine style. Aurora led 2-0 at the end of the first period, 4-1 at the end of

the second and in the last stanza waltzed in for seven tallies whilst the motormen were getting three.

"Joint" McComb was the scoring star of the affair as he potted three goals, while Oulette, "Bunny" Glover and Bert Turney scored two each. The other

goals came from the sticks of Al. Shill and Malcheski.

Briggs Creighton played an improved game while Bobby Lynn guarded the twine portals in sensational style. Once again Calhoun, Furey, Brown and Burkhardt were the Oshawa stand-outs. There was only a small crowd on hand and the next home game will likely be played either in Oshawa or at Maple Leaf gardens.

Perry King Shot Down Over  
Malta, Reported Missing

Mrs. W. C. King has received word that her son, Sgt. Perry King, R.C.A.F., has been officially listed as missing.

He is reported to have been shot down over Malta in March on his 21st birthday. Sgt. King attended Aurora high school and St. Andrew's College and after graduation was employed in the Bank of Montreal here.

He enlisted in the R.C.A.F. in 1940, going overseas last fall and being transferred to the Near East this year. He is a member

of Trinity Anglican church.

Sgt. King is one of three brothers serving with the armed forces. Lieut. William King, the eldest brother, is overseas with the army.

Sgt. Dale King of the R.C.A.F. is also overseas. He is a twin brother of the missing flier. He was the first of three brothers to enlist, being discharged from the Toronto Scottish Regiment because he was under age but joining the R.C.A.F. after he came of age.

Rate Stays 40 Mills Each  
Year Till Bank Debt Paid

Aurora's town budget is merely something "to aim at" in making expenditures and is not used for the purpose of determining the tax rate.

Deputy-Reeve C. E. Sparks told Aurora town council on Monday evening.

Mr. Sparks said that there was no specific provision in the budget for bank interest, in answer to a question from Councillor Dr. G. A. C. Guntton, although the town at the present time owes the bank \$33,500 (includes purchase price of Bank of Montreal building).

Mr. Sparks said that the council should raise the mill rate sufficiently to take care of the town's expenditures.

Clerk A. C. A. Willis said that "if we did that the rate would be 18 mills."

"We have a lot of money coming in in 1945," said Mayor Frank Underhill. There would be a four and a half mill reduction in debt payments, said Mr. Willis.

Mr. Sparks made a report accepted by the council, that reported that Aurora would have a 10-mill tax rate, both through the years that would mean a deficit and the years that would mean a surplus, "until such time as the loan is completely cleared off."

The auditor's report was before the council and showed a deficit of \$2,404. "The 1943 estimates should provide for absorbing this deficit did not take into account water and light returns, water, profit of \$6,878, or \$1,298 after making reserves for depreciation and bad debts, light, profit of \$1,452, or a loss of \$597 after making reserves."

Mr. Sparks recommended that \$4,000 be transferred from water department reserves and \$2,500 from light department reserves to the general fund as the share of the two departments in the purchase of the new municipal building.

Mr. Linton questioned whether the departments would then share in the revenues from the building and whether the Hydro-Electric commission, when established, would pay rent to the town.

Mr. Sparks, in explaining the town's financial position, said that the town deficits had been taken care of by the collection of arrears of taxes and that the town's assets decreased accordingly.

Admit 26 To Church  
Membership, One Soldier

Rt. Rev. W. C. White, former bishop of Honan, China, and now on the staff of Wycliffe College, Toronto, performed the rite of the "Laying on of Hands" at Trinity Anglican church on Sunday morning when 26 candidates were admitted into the church membership.

Included in the list of candidates were nine students from St. Andrew's College and one member of the armed forces, Pte. George Hodgins, R.C.A.M.C.

Rev. Canon F. J. Fyfe conducted the service. Bishop White delivered a special message to the confirmation class.

Those admitted to church membership were: Frederick Aspinall, Franklyn Sturgeon Milligan, William Bradshaw Crombie, Barry Mansfield Crombie, John Graham Purdie, Paul Austin Bloomfield, Henry Francis Sedgewick, James Leuwlin Howland, Selwyn Arthur Marks, Thomas Webster Brodie, Howard Stewart Patrick, Gordon Richard Lee, Alfred Charles Heard, Michael John van Nostrand, George Lindsay Hodgins, Frank Instone James, Mrs. Winnifred Stanley, Miss M. Douglas Gunn, Mrs. Olive Hill, Joan Elizabeth Hill, Mrs. Mary Palmer, Mrs. Agnes Hill Cox, Margaret Florence June Coleman, Joan Barbara Chalk, Margaret Vivian Hodgins and Elizabeth Leona Hodgins.

PUBLIC SCHOOL GIRLS

AT TROUSSEAU TEA

Mrs. L. K. Farr entertained at a trousseau tea on Saturday afternoon in honor of her daughter, Miss Doris Farr, a bride-elect of this month.

The living-room was beautifully decorated with an array of spring flowers and ferns. Pink roses centred the dining-room table.

Receiving with Mrs. Farr was Mrs. V. Draper of Toronto, a cousin of the groom.

Pouring tea in the afternoon were Mrs. W. L. Migate, of Aurora, and Mrs. Cook, of Toronto. In the evening, Mrs. E. Hill and Mrs. B. Haddy, of Toronto, poured tea.

## WITH THE CHURCHES

Three technicolor films on the Bhil tribes of northern and central India were shown at an open meeting of the Y.P.U. of Aurora United church by Rev. Roy Hicks on Monday evening. Anna Duffin presided over the gathering, which included adult members of the church.

A box social was held by the Parents' class of Aurora United church in the church parlors on Tuesday evening. Wilfred Adams, of the staff of Aurora high school, spoke on "Russia."

## SINGS IN RECITAL

Mrs. Eileen Ruth Harris, L.R.A.M., L.G.S.M., was heard in a song recital in Toronto last Tuesday evening.

Among the large audience were Mrs. J. Dudley Wilcox, Mrs. J. H. Knowles, Mrs. Crawford Rose and Miss Elizabeth Cody, Aurora.

Mrs. Harris studies singing with the distinguished Canadian contralto, Eileen Law.

Aurora Will Save  
Money Under Cost  
Hydro Agreement

Whether Aurora's electric light department would be squeezed between the upper millstone of an increased price for power purchased from the Ontario Hydro-Electric and the nether millstone of unchangeable prices to the consumer, was debated by members of the town council and representatives of the Ontario Hydro-Electric at a council meeting on Monday evening.

Whatever the temporary squeeze may prove to be, it developed that Aurora will buy power cheaper as a Hydro municipality than it did under the supposedly cheap power contracts held by Aurora and Newmarket for the past 25 years.

Mayor Frank Underhill presided over the council meeting. H. D. Rothwell, Ontario Hydro engineer, stated that, while Aurora would pay \$27 a horsepower on its peak demand, there would be a rebate at the end of the year when the actual cost was known, and in addition there would be a credit of \$2 per horsepower into a reserve fund on Aurora's behalf.

Mr. Rothwell said that the cost to Aurora in 1942 would have been \$25.74 per horsepower. "That includes \$2 a horsepower for a stabilization fund in order to even out the cost of power when the war is over and there are diminishing loads," Mr. Rothwell said.

Mayor Underhill and Councillor Ross Linton, chairman of the electric light committee, agreed that 24 cents additional to the present price of \$25.50 per horsepower wouldn't hurt the town.

Mr. Linton said that in effect Aurora would be paying \$23.74 a horsepower (assuming that the cost price proved the same as in 1942) compared with \$25.50 in the past.

W. George Hanna, on behalf of the Ontario Hydro, and Lorne C. Lee, on behalf of the town, expressed legal opinions on entering an agreement for an increased price in the face of the price ceiling. It was finally agreed that the town would hold the contract for signature until the wartime prices and trade board had ruled on the question.

The discussion majored on the question whether the wartime prices and trade board would permit the town to increase the price to the consumer if the need should arise.

Mr. Rothwell said that there were other means of turning a deficit into a profit. "Many municipalities get their hot water for nothing by using off-peak power," he said. "Toronto must use 25,000 horsepower for hot water heating. That power would cost half a million dollars but they keep off the peak."

"Do we set the rate to the consumer?" asked Mayor Underhill.

"We set the rate in co-operation with you," said Mr. Rothwell.

"Then the wartime prices and trade board couldn't tell you that you could raise the price to us and not the price to the consumer?" asked Mr. Underhill.

"They are not interested in having utilities operated at a loss," said Mr. Rothwell. He also said "they want a pretty stiff hold on the price to the consumer. That is like meat and potatoes."

Authority On Juvenile  
Problems Will Speak

Rev. Stewart Crysdale of Vancouver, secretary of the Youth Forward movement and a leading authority on juvenile and youth problems, will be in the Aurora district from Friday until Sunday. He will address a combined meeting of the young people of Aurora, Wesley, Mount Pisgah and Temperanceville United churches at 8 p.m. on Friday. On Sunday morning he will speak at Wesley church, Vandorf, in the afternoon at Mount Pisgah, and in the evening at Aurora United church.

ST. ANDREW'S BOYS GIVE  
PLAYS, DISPLAY WORK

Two clever plays, "Drums of Oude" by Austin Strong, and Bernard Shaw's "Passion, Poison and Petrification," were presented on Friday and Saturday evenings by the boys of St. Andrew's College. There was also a display of crafts and school work. A number of Aurorans were present on Saturday evening.

## GUILD MEETS

The Co-operative Guild ladies met on Wednesday evening at the home of Mrs. Duncan McDonald.

And we have given them a stiff hold. I know that there hasn't been an increase since the beginning of the price ceiling."

"We need to be sure that your price won't mean an increase to the consumer," said Mr. Lee.

"I don't think that there is any need for worry on that score," said Mr. Rothwell.

Councillor Dr. G. A. C. Guntton suggested that Aurora might continue to pay \$25.50 a horsepower and, on the basis of the 1942 cost price, be credited with only \$1.76 for stabilization reserve. Mr. Rothwell said that that was possible although there was "no precedent for setting up less reserve for one municipality than for another."

Dr. Guntton suggested that the municipality protect itself from prosecution by putting in the contract "subject to the power controller." Mr. Lee supported this suggestion, but, in view of Mr. Hanna's objection to adding anything to a standard contract, agreed to the other plan of holding the contract until the power controller gave his approval.

"We don't want to pay the higher rate unless we have to," was another point made by Dr. Guntton. He said that if the town had to appeal against the \$27 price, the board would say that the town had signed the contract.

"We promised Dr. Hogg last fall to do our best to persuade the people that they should be on a cost basis," said Mayor Underhill. "I don't want to go back on that. I don't think that the board will say the purchase price is to be raised and not the consumer price."

"I think that we would find it very difficult to raise the selling price," said Mr. Lee. "If you are satisfied with your margin, the contract is all right."

Mr. Linton said that the electric light department last year

**Guard Your Gasoline Ration Book**  
KEEP IT ON YOUR PERSON • DO NOT LEAVE IT IN YOUR CAR  
NOW that you have your 1943-1944 gasoline ration book, it is up to you to keep it at all times in a safe place. If it is lost, burned, or stolen, you will be deprived of coupons which will not be replaced. In this regard, the policy of the Oil Controller is as follows:  
● If, through negligence, you lose your gasoline ration book before October 1, 1943, you may be allowed no more, and perhaps less, than half the coupons to which you would be entitled if you were making an original application.  
● If, through negligence, you lose your ration book on or after October 1, 1943, you may be allowed no more, and perhaps less, than 25 per cent of the coupons to which you would be entitled if you were making an original application.  
The new gasoline rationing system, effective on April 1, will be strictly enforced. Under its provisions, the motorist, as well as the service station attendant, is held responsible for any infractions occur. It is contrary to the orders of the Oil Controller:  
1 To purchase gasoline with 1942-1943 coupons.  
2 To purchase gasoline unless you have the correct category sticker affixed to your windshield.  
3 To detach coupons from your own book. (The removal of the coupons is the duty of the attendant.)  
4 To have in your possession a gasoline ration coupon not attached to, and forming a part of, a gasoline ration book.  
5 To have in your possession a gasoline ration book other than the book issued in respect of a vehicle you own, or in respect of a vehicle driven by you with the full consent of the real owner.  
6 To alter, deface, obliterate, or mutilate any gasoline ration book or coupon.  
If you sell your motor vehicle, remember that before making delivery you must remove the windshield sticker or stickers. Remember also that after the sale is completed, you must mail to the nearest Regional Oil Control Office in your province the gasoline ration book or books issued for the vehicle.

**GUARDIANSHIP...BY THE PEOPLE...FOR THE PEOPLE**  
**Pilot without wings**  
YOU may not be required to fly a bomber and risk your life in striking at enemy targets. Age and health may bar you from service on the fighting fronts.  
But as a family man, you are a pilot on the home front. You face unforeseen hazards. Your family looks to you to chart a wise course for the safety of yourself and your loved ones.  
Fortunately you need not be alone at the controls—you have a reliable co-pilot in life insurance. It will help you to attain any definite financial object in life that you set for yourself. It will safeguard the precious lives in your care.  
Guardianship of the people, by the people—that is the story of life insurance—a story of security for more than a million Canadian families. It's the romance of the people's dollars co-operating and circulating in a democracy we must fight to save. And to save that democracy, every Canadian should work, save and lend for victory to the limit of his ability.

**DOWN THE CENTRE**  
Aurora Ordinance advanced into the O.H.A. semi-finals by virtue of their 11-4 win on Saturday afternoon over Oshawa. It was a gala finish to a well-played series, but "Staff" Simpson's boys had too much experience and too much on the ball.  
Eddie Oullette, the Windsor flash, was added to the team and did a swell job. Oullette, a veteran performer, has played with Windsor, Syracuse and Pittsburgh, and knows all the angles.  
Jack Culverwell, the veteran Sutton player, was an absentee from the line-up but did play in Oshawa. Culverwell is still going strong and like old wine gets better with age. This year in his debut as a coach he did a fine job, getting his mercantile team into the finals, where they folded up.  
This is the farthest an Aurora intermediate team has ever gone. In fact, Aurora intermediates, as we recall, were only once group winners. Newmarket generally won the intermediate group but the farthest they ever went was in 1927-28 to the semi-final round, being put out by Kitchener 2-1 in the final of a best of three series they should never have lost. Kitchener ultimately won the title.  
Sutton, of course, last year climaxed years of effort by taking intermediate honors.  
Peterboro camp, our choice for the title, are still in there pitching or were at the time of writing. If Owen Sound beats them we believe you will have the winner of the series in any case. The Depot boys have a strong team no doubt, but have not played together steadily and even now are still shifting players. Most of the boys are almost punch-drunk from puck-handling and several of them have been playing nearly every night all winter. We would like to think we are wrong and certainly hope for an upset.  
Our choices have not been faring too well, so probably the best way to make some money is to lay the outguess against our choices. Detroit and Boston came through but the Wings are picked by most to go on.  
Victoria army ousted our Allen cup choices, the Calgary army team, and are featuring a line-up of Elmer ("Shadow") Kreller, Claude Carse of Chicago, Black Hawks and Joffre Desilets, who played for Stratford Juniors against Newmarket Redmen in 1933. They are said to be the hottest line in hockey right now. Nick Metz, former Toronto Leaf star, has also been added. Oshawa Generals still appear a good choice for the Memorial cup. U.T.S., our choice for O.H.A. junior B honors, were whipped by Milton Tigers, who played in the finals against Fox Colborne. Would have liked to see the schoolboys win and were surprised at Milton's strength.  
Bill Armstrong, former Aurora and Penatung player, is picked by the critics as the fastest player on the Milton line-up. He was an addition from the Markham team of this year. That's where the ones we picked are, so we still have a chance for three out of five, which wouldn't be too bad.  
Lieut. "Bing" Listell dropped us a line following that final game with Peterboro, which Brampton lost 7-1, to tell us the Petes were a pretty sweet team. "Bing" took time out to pick a group all-star team which we commend to you. If you recall our choices and those of the other selectors you will have something to shoot at. Mr. Caswell's first team reads: goal, "Flash" Abram, Brampton; defence, Jack Wheeler, Newmarket; centre, "Teddy" Listell, Brampton; left wing, "Mac" Craig, Orillia; right wing, "Whippet" McMaster, Newmarket. The second team has: goal, Ernie Hughes, Newmarket; defence, Jack Shroyshire and either Jack Sager, Midland, or Tommy Sills, Angus; centre, Jack Sempell, Midland; left wing, "Nick" Bangay, Newmarket; right wing, Tommy Stewart, Newmarket. McMaster, Sempell, Stewart and "Nick" Bangay were overlooked by most selectors.  
We like to see an experienced netminder like Caswell pick Abram for the first team, as we did. That is one spot Bing should know all about.  
"Mac" Craig of Orillia he picked as the most outstanding and valuable player in the group, Jack Wheeler, as the most colorful, and "Teddy" Listell "was to us, most outstanding and valuable."  
We appreciated his good wishes for success in our new post. Caswell, incidentally, was a member of the staff at Runnymede C.I. where Principal Bruce Clarke is under fire by investigation and this week he gave evidence. Got quite a kick out of explanations given some weeks ago about Runnymede's junior hockey team. It was said to be a bona fide students' team. "Scotty" Mair and Doug

Those who attended Gilbert and Sullivan's "Patience" at Pickering College on Saturday evening included Mr. and Mrs. A. M. Colville, Misses Huldah Starr and Irene Harper, Lawrence Needler, Mrs. G. McClure, Miss Dora McClure, Miss Sadie McQueen and Mrs. Alice Tucker.  
Pleasantville, April 1.—Mr. and Mrs. A. M. Colville and Mrs. Story motored to Toronto on Sunday to visit their cousins, Mr. and Mrs. Frank Hicks.  
Mrs. Chas. Toole accompanied her brother and sister-in-law, Mr. and Mrs. Crone of Mount Albert, on a visit to Burlington to call on Mr. and Mrs. Player last Thursday.  
Mr. and Mrs. Harry Hunt and Mrs. George Hunt visited Mrs. George Hunt's brother in Toronto on Sunday.  
Miss Florence Tucker of Toronto spent the weekend at her home here.  
Mrs. Gordon McClure and Mrs. Alice Tucker visited Mrs. Ralph Willis and Mrs. B. Richardson last Tuesday.  
Mr. and Mrs. Alvin Ridley and Mr. and Mrs. Albert Ridley moved to Snowball this week.  
The neighbors of the fourth line surprised Mr. and Mrs. Alvin Ridley last Wednesday by spending the evening with them. After a social hour Miss Joyce VanLoven read an appropriate address and Miss Huldah Starr presented them with a lovely end table and a beautiful cup and saucer. Mr. and Mrs. Ridley replied in a few well chosen words.  
Mrs. George Hunt had a quilting for relief purposes last Friday. Those present included Mrs. A. M. Colville, Mrs. Esther Hawtin, Mrs. Gordon McClure, Mrs. Albert Needler, Mrs. Alvin Ridley and Mrs. Ivan Kay.  
Mr. and Mrs. Bert Hawtin and Miss Edith Hawtin of Beaverton spent one day last week with Mrs. M. F. Starr and Mrs. Esther Hawtin.

Gillespie just as easily could have finished their education at Newmarket and Orangeville respectively as at Runnymede and we know it must have cost some money to send them there. Both were Maple Leaf chaffers, if we recall rightly. Both boys, while average students, were without detracting anything from them, not by any means of scholarship class. But why stir up an old stew already gone sour?  
Ellis Pringle gets a hand from this corner. Big Ellis, a flop in his debut as a coach with Aurora Juniors, successfully helped coach Sutton last year, and this season as playing coach of DeHavillands took the West Toronto mercantile championship. Jimmy Cummings, former Aurora junior captain, and Brownlie, who played goal for Gravenhurst against Aurora a few years back, are both members of the team.  
Vic Alexander, who played for Aurora Juniors two years ago, is in the army now and stationed at No. 2 District Depot. He is playing for Army Blue Devils in the T.H.L. Vic was passed up by Charlie Rowntree but in our opinion was a pretty capable performer. Sometime soon we must figure out just how many of the former Aurora players are on active service. Must be well over 60 of the lads on the firing line by now.  
Juvenile hockey, which enjoyed a successful season in Sutton, Newmarket, Aurora and Richmond Hill, should get things ready for next winter right now. We know that Howard Jackson and Jimmy Granger of Richmond Hill, along with Jim Walker and Bill Holloway of Aurora, are ready for action. We say, get your league organized with a minimum of delay. Officers should be elected, possible teams canvassed and the spade-work done. Next winter, with the exception of army teams, the towns will have to depend on the kids and Jimmy Cummings might be a good thing for a while. However, don't be surprised if the O.H.A. pretty well swallows up the whole juvenile set-up. It is a pretty luscious plum for the moguls to leave alone.  
"Aur" Take from sleeked in Newfoundland points out that softball should soon be starting in Aurora.

George Davis, who was killed in action overseas with the R.C.A.F., was the first local softballer to pay the supreme sacrifice and Ace says: "Surely some local sportsman would like to dig down in his pocket to provide a trophy to honor the memory of a gallant lad and give the boys a trophy to shoot for." Needless to say, we are 100 percent behind the idea.  
Doug Smith, former Aurora boy, took the pitcher to the well once too often. Doug, who has been president of the T.A.S.A. the past year as well as being mixed up in inter-church hockey, basketball and softball in the Queen City for many years, decided against his better judgment to run for office again and was defeated by Charlie Lewis. While Smith was on his way out, Lou Walker, formerly of Bradford, moved up into the leaders' circle in Toronto hardball. Lou was elected vice-president of the West Toronto league and a director of the Canadian Sandlot association. Think it would be a good thing for the Newmarket town league to affiliate with the Sandlot association. The league will get some good publicity, and the players will be under the scrutiny of men who might be interested in the baseball future of the boys. There have been one or two in the past few years who if given a chance, might have gone places.  
Lloyd Tamblin of Sunderland, who a few years ago was a top-notch for Sunderland and has been equally a stand-out for Waterloo Tigers in senior hardball the last few years, will go on active service this month.  
Service hardball, we learn, will be a big item on the sports agenda this year just as it was in hockey the past winter.  
Dick Fowler of Philadelphia and Toronto, along with several others like Lipka and Wodnynski of Niagara Falls, are in Toronto with the army, while Phil Marchildon and Joe Krakauskas are both centrally located with the R.C.A.F., which may or may not mean anything. If the army enter a team in the Toronto loop, Newmarket camp will probably lose some of those counted on as present members of their '43 line-up. That, as was pointed out elsewhere last week, might do something to balance the circuit.  
Aurora may have a juvenile baseball league if the present plans of Bill Holloway and Leonard Simmons are carried out. Both men are toying with the idea. It would be popular and it would mean a good hardball team later, even though, with the exception of

GEORGINA GIVES PUPILS  
FREE DENTAL SERVICE

Editor, The Era and Express:  
I was sorry to see your editorials  
getting shorter and this week not  
at all. I do not much of the time  
agree with what you say, but I  
judge you have spent time on them  
and at least they are  
thought-provoking. I should be  
very sorry if you dropped them  
from your paper.

Your idealism is commendable  
and somehow a better world will  
come in a practicable way. The  
place to start is at home and not  
expect governments to do what  
should be done there.  
I thought you might be inter-  
ested to know the township of  
Georgina has given the children  
at school dental service free of  
charge to them or their parents.  
It has worked very well and was  
started in 1942. It is surprising  
the relatively small amount of  
money that it costs the com-  
munity.

With best wishes,  
Sincerely yours,  
J. D. Sibbald.

The Briars,  
Jackson's Point,  
April 2, 1943.

(Editor's note: Reeve Sibbald's  
letter is much appreciated.  
Editorials are fewer, sometimes  
because with less staff the editor  
has to spend the weekend work-  
ing instead of writing editorials  
but more frequently because of  
he many demands made upon the  
space available.)

Editorials from other news-  
papers are sometimes printed,  
not to fill space, not because they  
present some viewpoint that the  
editor likes and because they  
prove him right, but more often  
because they express a different  
point of view and indicate that  
the editor may be wrong.

It is a mark of education when  
people can, like Reeve Sibbald,  
read opinions with which they  
disagree, and still see some value  
in them. The Era and Express  
is betting on the people of North  
York being as hungry for opin-  
ions with which they disagree as  
for opinions with which they agree.

As for leaving editorials out  
when news and advertising de-  
mand the space, there is the  
best advice to young ministers:  
"Remember that your sermons  
are from you to the people—keep  
them short; but the congregational  
singing and prayers are from  
the people to God.")

SCOTT  
Council Sells Roadside  
Elms For Firewood

The monthly meeting of Scott  
township council was held at the  
township hall on Saturday. All  
members were present.

Communications were read  
from the department of munici-  
pal affairs, regarding the annual  
provincial subsidies to munici-  
palities, from York County hospi-  
tal, with a small account for the  
care of an indigent in 1941; from  
County Clerk Ruddy, advis-  
ing of the admission of an in-  
digent to Oshawa General hospital;  
and from the Employment and  
Selective Service office, New-  
market, in reference to advertis-  
ing for a road superintendent. A  
letter was received renewing the  
insurance on the township roads.

The council decided to sell four  
elm trees on con. 4 to Fred  
Appleton and two on the side-  
line between lots 20 and 21, con.  
3, to Frank Raham, at \$1.50 per  
single cord, 14 inches. The coun-  
cil also decided to make a trip  
of inspection of roads, on call of  
the reeve. An account from the  
county for snowplowing was re-  
ferred back for further informa-  
tion.

Accounts passed included:  
Lance Copeland, 1 sheep injured  
by dogs, \$5; Robert Harrison,  
sheep valuation, \$1; pay-roll,  
labor on roads, \$552.13; Ellis-  
worth Kydd, winter road through  
fields, \$10; Edward Vernon, wire  
fence bonus, \$1.60; Ben. Kester,  
tamps, \$3.06; J. R. Meyers, sal-  
ary, \$137.50; J. Woodcock, pulley  
block, \$4.50.

Mr. and Mrs. Cecil McNeill  
spent the weekend with their  
parents.

Mrs. Cecil Chapman and child-  
ren, who have been staying in  
Toronto this winter, are home  
again.

Mr. and Mrs. Carman Marritt  
and Mr. and Mrs. Aylward Mar-  
ritt visited Mr. and Mrs. C.  
Marritt on Sunday.

The weekly meeting of the  
Boys' Comforts club was held at  
Mrs. Wm. Thompson's on Wed-  
nesday.

Mrs. Mie Sedore attended the  
Red Cross luncheon in Toronto  
on Friday.

John McNeill has purchased a  
beautiful pair of dapple grey  
horses.

The fine spring weather at-  
tracted a number of summer  
residents on Sunday and many  
weekenders. Among them were  
Mr. and Mrs. C. J. Draper and  
family, Mr. and Mrs. Herb Crit-  
tenden and Willa and Mr.  
Charles Draper.

## BROWNHILL

Brownhill, April 1.—Mrs. J. Judd  
and Master Bruce Judd of Brown-  
hill spent the week with Mr. J. W.  
Judd of Toronto.

Miss Audrey Judd of Brownhill  
is staying at Miss L. Green's of  
Brownhill.

Howard King of Brownhill has  
joined the Liberty boys' victory  
club.

Mr. and Mrs. Roy Crouch of  
Toronto visited at their home in  
Brownhill for a few days.

Mrs. Warren Sedore and family  
of Brownhill visited Mr. and Mrs.  
Joel Sedore of Keswick.

PLEASANTVILLE  
DANCE, SOCIAL, NETS  
COMFORTS FUND \$30

A box social and dance was  
held in the Bogartown school-  
house on Friday evening. As  
there were no expenses, the com-  
mittee in charge of the dance  
turned over the entire proceeds  
of \$30 to the fund for boxes for  
the Bogartown boys overseas.  
Chas. VanZant and Harvey  
Crockatt supplied the music.  
Douglas Beckett was "caller off"  
for the square dancing.

## BELHAVEN

Belhaven, April 1.—Mr. and Mrs.  
H. J. Winch and their son-in-law,  
Mr. Harry Kane, Richmond Hill,  
and Mr. and Mrs. A. J. Wilson of  
Toronto were guests at the home  
of Mr. and Mrs. Wm. Winch on  
Sunday afternoon.

Duke Horner has been confined  
to bed for some time with a bad  
cold.

Mrs. J. Wilkinson was a guest  
of Mrs. E. Nelson at the Horner  
home recently.

## SUTTON WEST

Miss Pritchard, accompanied  
by several friends from Toronto,  
were visiting at the manse on  
Sunday.

Mr. Harry Thompson spent the  
weekend at his home here.

Mrs. Sedewick, Miss Sinclair  
and Mrs. Culverwell spent the  
weekend in Toronto.

Mr. Garnet Caster spent the  
weekend at Newmarket.

Dr. Pritchard gave the Trail  
Ranger boys an interesting talk  
at their Wednesday night meet-  
ing.

The Trail Ranger executive,  
consisting of Chief Ranger Jim  
Taylor, Sub-Chief Ranger Ray  
Leitch, Cache Ronald Cockburn,  
and Tally Johnnie Leary were  
officially initiated at Dr. Harold  
Leary's house on Thursday  
evening. They were presented  
with their badges and Trail  
Ranger promise. They will help  
carry out the initiation of the  
other members of the group at a  
later date. The ceremony was  
carried out by the mentor, Dr.  
Leary, and Garnet Caster,  
assistant.

"Open house night" and a bar-  
az in aid of the Field Comforts  
will be held at Sutton parish  
school on Wednesday, April 21.  
Any contributions of saleable  
articles will be welcomed by the  
staff.

## 7TH CON. N. 6.

Mr. and Mrs. Chester Miller  
have bought the farm belonging to  
Mrs. Anthony Wolfe.

Mr. and Mrs. Percy Brown vis-  
ited friends in Markham on Sunday.  
Melville Ley motored to Lindsay  
on Sunday.

Malcolm Cryderman has been  
busy with his buzz-saw this week.  
Miss Marjorie Cryderman has  
accepted a position at Sutton.

Jack Hamilton cut his finger and  
had to have some stitches in it.  
Master George Stiles cut his  
finger on the wire fence while  
playing at school and it required  
some stitches.

Mrs. E. Crumby, who has been  
in Toronto for the winter, has been  
visiting her daughter, Mrs. Levi  
Ley, for a few weeks.

## DOWN THE CENTRE

(Continued from Page 6)

opinion that Aurora has as good a  
diamond right now, when the grass  
is cut, as in canal-town. There  
is a fine cage available in the park  
and the field is quite level. As  
for equipment, most of that used  
by Cliff Case's Blue Ribbons is in  
the custody of Alex. Kirkwood and  
would be released to the proper  
parties. If we recall rightly, we  
were around in 1923 and playing a  
bit of hardball, too, and for the old-  
timers to say Aurora was late for  
engagements in Newmarket is like  
the pot calling the kettle  
black. We were both guilty, but  
many of the games were played on  
Saturday afternoon too, when it  
didn't matter so much.

Frankly, we don't think Aurora  
will be entered in the Newmarket  
league, for since Alex. Kirkwood  
retired from action, it has been  
hard to find anyone to keep things  
going. Holloway, who is a real  
baseball enthusiast, perhaps might  
be the man to get things started.  
Hope something can be done, but  
in any case wish the boys in New-  
market every success for this year.

Ross Johnstone of Marlboro,  
last year with Etobicoke juniors,  
has been picked by Oshawa as a  
reinforcement for their junior  
team. Del. Beaumont might have  
got the same chance if St. Mike's  
hadn't picked him up first.

Queen's York hockeyists man-  
aged to win one game in the Niagara  
Falls senior city league but lost  
out in the finals 3-1 (games).  
Ang. West, we note, is pounding  
out some fine publicity for the  
Yorks in the Army Bulletin. Too  
bad the old boy didn't have a  
championship hockey team to sing  
in high G about.

Harry Couse is one of a trio of  
brothers on active service now.  
The ace softball hurler's youngest  
brother joined the navy recently,  
so all branches of the armed  
forces are represented in the three  
services—Harry in the army, and  
Keith in the R.C.A.F.

Pro hockey has an interesting  
setup in the armed forces, too,  
with Major Conn Smythe of the  
Leafs in the army, Col. Kilpatrick,  
head of New York Rangers, with  
the U.S. air force and Lieut. Jimmy  
Norris of Detroit Redwings in the  
navy.

Chess is growing in popularity  
in the army. We saw 40 players  
in action at the Camp Borden S.-Y.  
Ann recently, with a crowd of in-  
terested spectators too. Bernard  
Freeman, secretary of the Cana-  
dian Chess association, was on  
hand to explain some of the  
points of the game. To many it is  
as much a sporting event as any  
other form of amusement or game.  
Only thing is that it has little  
audience or crowd appeal.

Army boxing is a big item, with  
the K of C hut and the Y at  
Borden being leaders in these  
weekly tournaments. Lieut. J.  
Coghill of the Camp Borden gym  
is another kingly in the set-up.

The referee in army boxing  
stands outside the ring, because the  
fights are fought cleanly and the  
boys are taught to clash that way.  
The breaks are given by word of  
mouth and not muscular action  
and the penalties take care of that.

A silent count is given. Boxers  
who are next thing to out will not  
come up for extra punishment  
purely because the lad subcon-  
sciously hears the count. Another  
thing, too, is that it stops a com-  
petitor faking and taking a dive  
for a rest.

The crowd is silent primarily  
because the boys must hear the  
commands of the referee from out-  
side the ring, and again a lad be-  
ing "murdered" in the ring will  
not be encouraged to take it.

The seconds do not yell out with  
coaching ideas to the competitors  
while they are in action. The  
words of wisdom come when the  
boys are in their corners and only  
one second is in the ring. I have

yet to see dirty work in the ring  
or unfair play by the spectators  
and have seen nothing but the best  
of sportsmanship, even when tem-  
pers were a bit strained. Once  
again the army has something to  
add to real sportsmanship in the  
civilian world. Best of all, there  
are no hangers-on, leeches, or  
questionable so-called sports shouts.  
The atmosphere is as clean as the  
action that goes on in the ring.  
After the war there will be a swell  
crowd of leather pushers ready for  
ring action.

Herbie Cahn, in case you haven't  
noticed, is playing some of the  
finest hockey of his career and is  
right up in the lead with the best  
of the Bruins. By Saturday Herb  
had accounted for four goals and  
two assists. Don't know anybody  
we'd rather see make the high  
spots either. Are depending on  
Herbie to make our N.H.L. choice  
come true.

## MOUNT ALBERT Make \$12 For Boys On Rug Made By Lady, 89

The Red Cross had a successful euchre and dance on Wednesday evening in the hall, which was nicely decorated with red, white and blue by the committee in charge.

The prizewinners for euchre were Mrs. Williamson for the ladies and Murray Stokes for the gentlemen. The rest of the evening was devoted to dancing to the Mount Albert orchestra. The net proceeds were \$50.

Mrs. M. Riechbrough made a lovely rug for the Red Cross on which they realized \$12. Lloyd Watson was the winner of the rug. Mrs. Riechbrough is 89 years old and is to be congratulated on her fine piece of work and the example she has set to do her bit for the good work of the Red Cross. It will go towards sending boxes to boys from the town-

## POLICE COURT Piece Of Radiator Grille Results In Conviction

Six cases of illegally parking in the vicinity of the Newmarket military camp contrary to the Newmarket parking by-law were presented before Magistrate W. E. McIlveen in York county police court here on Tuesday. Four soldiers were fined \$2 including costs. One case was adjourned for personal service and the other remanded for sentence.

Those fined were: J. H. Simpson, John Teolis, Donald Taylor and Norman Turner, all of the military camp.

Found guilty on charges of leaving the scene of an accident and of careless driving, Pte. Leo Hogan, Newmarket military camp, was fined \$25 and costs of \$3.75 or one month on the former charge and \$5 and costs of \$2.75 or ten days on the latter charge. On a charge of parking he was remanded.

James Marshall, Aurora, told his worship that he had parked his car on the north side of Timothy St., west of Prospect St., between nine and ten on the evening of March 25. He said that some time later he was notified that the car had been damaged. He said that the night was dry and clear. Questioned by Miss B. E. Lyons, acting for the crown, the witness stated that damage to the car amounted to \$29.

According to Cpl. J. H. Wheatley, of the Newmarket military camp, shortly after 10 p.m. on the night in question he observed the damaged car and picked up a section of a radiator grille at the rear of the Marshall car and handed it over to Chief Constable Jas. Sloes.

Chief Constable Sloes told his worship that he investigated the accident at 11:10 p.m. and found the rear of Mr. Marshall's car smashed. He found a piece of the broken grille. He went to the camp where he was given the section of radiator grille found by Cpl. Wheatley. He found this corresponded with the broken grille of a car parked at the camp and owned by Pte. Leo Hogan.

The officer stated that he questioned the defendant at the camp the next day and the latter admitted that he was the owner of the car.

The officer said that Pte. Hogan told him that his brakes had failed as he was making the turn at Prospect and Timothy Sts. He did not stop to report the accident as he had been in a hurry to get back to the camp by 10:30 p.m.

The officer said that skid marks on the road measured 75 feet.

Pte. Hogan told his worship that he had been going east on Timothy St. and when making the left turn his brakes wouldn't hold. He said that before coming to the camp his car had been stolen and that it had been his first drive with the car since he had received it back. He didn't know that the brakes were not working.

"In the charge of careless driving anyone can make an error in judgment on making a turn, but to fail to stop and render assistance is a serious matter," commented his worship. "I feel that you could have stopped for five minutes, long enough to report the accident. I am giving you the minimum fine."

## NEW DIRECTORY IS STREAMLINED FOR WAR

To economize paper and type metal in wartime, important changes have been made in the latest issue of Newmarket's telephone directory, which is being distributed this week.

The list of long distance rates to points most frequently called is now to be found on the inside back cover, and instructions on how to use long distance service are on the inside front cover. All marginal advertisements are being removed from the top and bottom of pages in the alphabetical section affecting still further economies.

In view of the large number of new and changed listings in the new directory, it is important to discard a few old books promptly on receipt of the new one. Subscribers are being asked to contribute their old directories to the regular salvage collection, for paper has now returned to the list of badly-needed salvage articles.

Consulting the new directory carefully before placing calls will help to eliminate unnecessary calls, and will reduce the "wrong num-

## Blind Pull Weight In War, Town Plans Tag

In dozens of war plants across Canada blind men and women are taking their part along with sighted workers in the making of drilling and milling machines, gauging shells, assembling fuses, smoothing aeroplane parts—doing a day's work, getting a day's pay, widening the path towards victory.

It is because the Canadian National Institute for the Blind proved in times of peace that capable blind men and women were competent factory workers, that so many of them are now being employed in war work.

Frequently, in recent months, many Canadian papers have published pictures of blind workers in war plants. The interesting thing is, of course, that men without their sight can do a useful job but it is also of interest that, almost without exception, these blind workers were placed in their remunerative employment by the placement officers of the Canadian National Institute for the Blind. There would be mighty few blind people working if it were not for the C.N.I.B.

The provision of employment and the finding of jobs is not the only important work of the C.N.I.B.

After all, only a comparatively small proportion of the blind population can be regularly employed and for the others the Institute provides a variety of services which are designed to make life

tolerable for them. Everything that the Institute does, and every service which the blind receive, depends on the financial support obtained from the public. The tremendously important and humanitarian work of the Canadian National Institute for the Blind can be developed if men and women blessed with sight express their gratitude for their good fortune by making a small contribution. The opportunity to do this comes on May 1 when a tag day under the auspices of a committee headed by Mrs. Frank Robinson, is being held in Newmarket.
